REVIEW PROCESS

The Executive Director of the Southwest Georgia Technical College Foundation has established a committee to review scholarship applications. Members of the committee include the Vice President for Academic Affairs, faculty member for Automotive Technology and the Dean for Academic Affairs.

The Automotive Technology Scholarship recipient will be selected utilizing the attached evaluation document.

Committee members will independently score each application submitted. The applicant receiving the highest average score will be awarded the scholarship.

In the event of a tie committee members will request that the SWGTC Registrar calculate the applicants' cumulative GPA. The applicant who has achieved the highest, cumulative GPA will be awarded the scholarship.

The primary intent of the scholarship program of the SWGTC Foundation is to assist students with tuition, fees, and book expenses through need-based and merit-based scholarships. For this reason, all scholarship applicants are required to apply for financial aid. Financial aid awards will be considered in the scholarship awards process.

Southwest Georgia Technical College Foundation funded scholarships are to be used at Southwest Georgia Technical College only (Thomas County, Grady County, Mitchell County, and the Valdosta Technical College A.D.N. program) and are not transferrable to other institutions.

Southwest Georgia Technical College Foundation scholarships are intended for approved educational related expenses only, as set forth in the scholarship policies. Any fraudulent use of scholarship funds or misrepresentation of expense to gain reimbursement will result in termination of scholarship funding and ineligibility to apply for future Southwest Georgia Technical College Foundation scholarship funding opportunity.

Scholarship accounts that remain inactive for one year will be adjusted and unused funds will be transferred back to the SWGTC Foundation. Exceptions to this policy will be in cases where the length of time the scholarship can remain in the student's account before usage are outlined in the individual scholarship policy (such as the High School Scholarship and other recruitment-based scholarships).
